

M.I.R.A Launches new website

Midwest International Racing Association * M.I.R.A. * and Clean Media announce new MIRAracing.com

We are very honored to be partnered up, and working closely with Clean Media for this project. Clean Media has been working within the motorsports world for over 18 years. Let Clean Media handle all your Custom and Personalized *Motorsports Photography * Custom & Personalized Signing Cards * Custom Website Designs & Racing Apparel.

We here at M.I.R.A. believe that in order to supply information to our race teams, fans & marketing partners with our series racing efforts. When asked what his thoughts are regarding this project Charles Wiltse replies “I’m totally stoked that MIRA has a new website for our members and fans to be able to keep a close eye on all operations. This is also a great tool to assist M.I.R.A. with bringing on additional marketing partners and showcase how awesome our sport is. We have a great opportunity right now, we need to grasp it and grow our sport to ensure years and years of snowmobile oval ice racing to come! “

With the help from Brian Caswell from SpeedShot Photography the amazing images and photos throughout the site only highlights his hard work within this series. We asked Brian what his thoughts are on this project Brian adds “Speedshot photography is excited to be a part of MIRA racing in 2018 and beyond. Working together with Clean Media we provided photos from past events. We will continue to provide the absolute best photos in the business to the racers, fans and the M.I.R.A. organization. Along with MIRAracing.com photos are and will be available at www.speedshotphotography.smugmug.com

MIRAracing.com website puts the spotlight on our marketing partners. M.I.R.A. would like to thank WOODY’S, WEISS Equipment, Fairgrove Oil & Propane, Beard Oil, Ski-Doo, Arctic Cat, Polaris, The Winning Edge, Speedshot Photography and Clean Media for helping make the upcoming season possible. The MIRAracing.com site will be updated regularly with our race results / points / event gallery during our 2018 season. Be sure to check it out regularly for updates and team profiles info.
