

MIRA Pro Enduro Information, 2019

1. Pro/Practice qualifying will be first thing Saturday morning, session will be approximately 30 minutes, and this can change due to weather and track conditions. Best time posted during this session will be starting position.
2. Transponder are responsibility of Pro teams. You must have functioning transponder that is properly charged. If not, you will not practice/qualify until functioning properly and may have to start at back of the pack. MIRA will have a very few for rent for \$150.00 per event. Transponders need to mount in your sled properly, away from metal.
3. Be prepared for pre-tech this season, report with driver(s) with safety gear.
4. Driver MUST have proper orange on coat and helmet, driver MUST have number on back of coat that matches the sled. If not in compliance, laps for the driver will not be counted.
5. Pro teams MUST have your team number sign extending from the rear of your trailer. This is a race director issue to find teams and for the tow sled to find your trailer.
6. Hero Stands are mandatory. Each sled on the track for meet the drivers must have a stand or start at back of pack. Each team will be given one exemption per season.
7. No changes to Lucky Stud.
8. Race will be 4 stages this 2019 season, 70 laps, 60 laps, 60 laps and 60 laps. 250 total unless weather forces change. Plan "B" format will be in writing and used for bad weather in needed.
9. Rig parking for Pro Enduro teams will be done by pit marshal. Trailer shall be 6ft on either side and lined up at the rear door. Mira wants perfect trailer alignment.
10. Fire Extinguishers must be at rear door at all times, current and easily accessible.
11. 3 digit number will be eliminated in the 2020 race season, please be on notice for team impacted by this.
12. Be prepared to race in Canada, MIRA will do its best to help inform you of requirements.

13. Announcer sheets must be turned in to announcing team at MIRA office trailer, the more info we have, the more we can promote your team and sponsors.
14. Pro teams will be assigned for race set up and take down help. Your team will only be required to help at one event per season.
15. To be eligible for any year end points awards or money, pro teams must participate in every racing event.
16. It is very possible mandatory series sponsor decals will be required. Should MIRA get a series sponsor, this will be part of the marketing commitment and teams will be expected to support the program.

Have a great 2019 race season, and be safe.
