

Midwest International Racing Association is beyond proud and excited to announce our partnership with the US Air Force and the US Space Force for the remainder of our 2023 race season. We all have the upmost respect for our armed forces. USAF and USSF will have a booth set up at all our races. Please take the time to visit them and say hi. To all our members and fans that have had interest in serving our Country, please look into the USAF and USSF today.

MIRA Vice President Charlie Wiltse states "This collaboration with the USAF and USSF is extremely exciting. We owe everything to these hero's that protect us each and every day. We salute them and are extremely honored to have them on board with us for the remainder of the 2023 race season."
